

**The University of Massachusetts Boston, College of Liberal Arts English  
Articulation Agreement  
with Quincy College AA Liberal Arts - English Option**

The University of Massachusetts Boston guarantees the acceptance of Quincy College students who have graduated with an Associate of Arts in Liberal Arts - English and have earned a final cumulative grade point average of 2.5 or higher. Such students will be admitted to the English major in the College of Liberal Arts at the University of Massachusetts Boston. As a result of this commitment, the faculties of the English Department in the College of Liberal Arts at the University of Massachusetts Boston and the English Department at Quincy College have collaborated on the development of this Articulation Agreement.

As part of this agreement, the institutions mutually agree to annually review and provide updates regarding curriculum and transfer credit changes in an effort to make the students' transition from an associate's to a bachelor's degree program in English as seamless as possible.

This Articulation Agreement applies only to entry to the English major in the College of Liberal Arts at the University of Massachusetts Boston, and therefore does not imply admission to any other program or major at the University.

The above Articulation Agreement with Quincy College is in effect as of September 2012 and will be honored by the University of Massachusetts Boston pending any curriculum changes by either institution.

---

J. Keith Motley, Ph.D.  
Chancellor  
University of Massachusetts Boston

---

Peter H. Tsaffaras, Ph.D.  
President
